Theatre Artist Fund of Greater Richmond

The Theatre Artist Fund of Greater Richmond helps those in the Richmond theatre community who fall on the hardest of times, whether due to illness, injury or extenuating circumstances, apply for financial aid. Artists dealing with life-threatening disease or life-altering circumstances may apply, or others may apply on their behalf for assistance.

If you would like to offer support by providing emergency financial assistance, please visit the Community Foundation website, or . . .

**For a minimum \$5 contribution here,
you will receive an RVA THEATRE sticker
that proudly shows your support
of our theatre community.**

*Please help those who have demonstrated a commitment to
live theatre in the Greater Richmond area!*
